To complement overall appearance of project, panels may be made either left or right facing.

Please specify when ordering.

Please order carefully as there are no returns on panels (except those damaged in transit.) Make sure to include the following information when placing your order:

- Complete Ready Punch catalog number (i.e. RP-2020)
- Name of finish
- Quantity and sizes of panel(s) desired
- Select price from appropriate column
- Left or right facing, if applicable
- Maintain a copy of order for your records

\* When ordering rusted tin, please note that there may be occasional slight differences in the amount of rusting on any given batch. We reserve the right to make your rusted panels in the stock that we have at present. Therefore, sometimes an order for rusted metal will exhibit more or less rust than another. It is an all-over process and does not appear unsightly (i.e., no rusty blotches on the metal). When an order is placed for a number of rusted tin panels, such as a kitchen, or panels being used together, every effort will be made to assure that the all-over rusting will be the same to effect a match.
